**About Atlanta 3-Gun, Inc. (A3G)** As a match production company, A3G was built from the ground up to provide the infrastructure necessary to build stages, register participants, run and score multiple shooting events under diverse formats and rulesets, all at a good value for the shooter and the sponsor. All A3G matches are built around the mission of making the challenges attainable for MOST shooters, and fun for ALL shooters.

The Atlanta 3-Gun Challenge monthly match was purpose built under the 3GN rules and integrated into the 3GN Club Series to provide the many shooters in the Atlanta area, and from surrounding states, a venue to compete at the Club, Regional, and potentially 3GN Pro Series, without extended travel.

The Atlanta 3-Gun Challenge Presented by Devil Dog Arms, is held at the South River Gun Club (SRGC) located in Conyers, Georgia; just Southeast of downtown Atlanta. The SRGC venue is ideal for the match as it is within easy striking distance of several interstates to accommodate visiting shooters from surrounding states, and has been a stop for the 3 Gun Nation Pro Series in the past.
